Petition to "Save Old Seven"

Whereas 2012 marks the 100th anniversary of the completion of Henry Flagler's world famous Overseas Railroad...

Whereas delicate discussions are presently underway that will ultimately determine if one of the last remaining sections of the Overseas Railroad - the section of the Seven Mile Bridge connecting Knight's Key and Pigeon Key, home of the Overseas Railroad Museum, a national historic treasure - shall be rehabilitated for public use for decades to come, or closed to public access.

Let it be known that it is my intention, by signing below, to register my strong support for "Saving Old Seven" for public use, including the expenditure of public funds for its rehabilitation and continued maintenance.

PLEASE PRINT LEGIBLY, IN CAPITAL LETTERS, IT WILL MAKE OUR FOLLOW-UP WORK MUCH EASIER. THANK YOU.
